**SATURDAY, FEBRUARY 1, 2025**  
**SPONSORSHIP PACKET**

The Family Resource Center is excited to host its annual fundraiser, Family Feud Family Resource Center Edition: Season 3. The event will be held at the Harris Arts Center on Saturday, February 1, 2025, from 6:00 pm to 10:00 pm. This 21+ event will feature 4 teams competing for the title of Family Feud Champion.

Since 1986, the Family Resource Center has been dedicated to providing child abuse prevention services in Gordon County. For nearly four decades, we have worked to raise community awareness by distributing information and materials on child development, child abuse and neglect, parent education, and other essential topics. Our goal is to be the driving force behind child abuse prevention efforts in our county. We achieve this by offering programs that equip parents and caregivers with effective skills and providing ongoing support to families.

Our accomplishments are made possible through the support of the community and individuals like you. Your help enables us to fulfill our mission of preventing child abuse by raising awareness, providing education, and offering support to ensure every child has a safe, nurturing childhood. By supporting the Family Resource Center, you are helping us strengthen families, support children, and make a positive impact in Gordon County.

### **Our Programs:**

**First Steps Program:** Provides expectant families and families with children aged 0-5 with information on child health and safety, economic self-sufficiency, and connections to community resources.

**Parents as Teachers Program:** Offers activities and support to enhance parent-child interaction, development-centered parenting, and family well-being.

**Family Ties Program:** A support group for grandparents and other relatives raising children of their family members. This growing population in our community often lacks the necessary support and resources to parent a second time around.

**Parenting with a Purpose Program:** Provides parenting classes for families with children aged 0-12 and 13-18, equipping them with essential tools for raising children.

**Supervised Visitation Center:** Offers a safe, comfortable, and accessible environment for children and families involved with DFCS and family law to maintain their familial bond and work towards reunification.

**Carol's Closet:** A community closet for families in need, providing laundry supplies, personal hygiene items, cleaning supplies, diapers, and wipes.

We greatly appreciate your helping us support and strengthen families in Gordon County.
