## How to Use This Resource Guide

This guide is designed to help you easily find information about services available in our community.

- **Use the Table of Contents** to locate a service or agency by name. Each agency name in the Table of Contents is clickable and will take you directly to that agency's page within the guide.
- **Main Service Headings** provide the most complete information for each agency, including descriptions, eligibility details, and direct links to the agency's website when available.
- **Clickable Links** throughout the guide will take you directly to the service provider's website for the most up-to-date information, applications, or contact details.
- **If only an agency name is listed**, simply click on the name and you will be directed to the available information for that service.
- **Search** for a specific word by pressing Ctrl + F (Windows/ChromeOS) or Cmd + F (Mac) to open the search bar in the top right. Type your search term, and Google Docs will highlight all instances. Use the arrows in the search box to navigate between results.

This guide is intended to be a starting point for connecting with resources. For the most current information, we encourage you to visit the agency's website or contact them directly.
